

## Immanuel's Prayer List

**Myrl Koelling** was blessed with heaven. Her funeral was Thursday and we pray the Lord's comfort upon her family and those who loved her.

**Gracelynn Houseknecht** spent three days at St. Mary's with fever and respiratory issue but is now home and doing better. Kaitlyn and Garrett are relieved as well.

**Julie Myles's father, Larry Hirsh--** is now home after his double by-pass surgery and is recovering. We pray the Lord's blessing and healing be upon him.

**Sherry Sander's Sister Anna and nephew Terry-** Anna is enduring some heart issues and carotid artery blockage, Terry is battling cancer in the throat and is receiving chemo. We ask the Lord to bless them and keep them under His care.

**Janet Hahnenkamp-** Leah Vandergriff's mother is continuing her battle. Leah reports that when she arrived, her mother took her supplement, looked better than Leah expected and seems stable. We pray the Lord's grace upon her.

**Detlef's mother Hilga** – her cancer has returned and she has once again started Chemo. We pray the Lord's blessing on the treatment and His loving strength and presence upon her.

**Landon Horstmeyer-** the CT Scan showed there is no more bleed, the fluid is thin and just cerebral fluid, his soft spot is spongy, he is behaving normally and the therapist says he is now doing all the normal things for kids his age. God is very gracious and is once again providing his healing in my family. I am so humbled, but thankful.

**Michelle Fortune-** continues her chemo. We pray Lord's continued blessing upon Michelle.

**Peck Axton** (Janet Seay's son-in-law) is to be released on Monday and is finally going home. We praise God for bringing Peck to this place.

**Nick Feagley (Kaye's nephew)** – still is having thought process issues, and is still working through visual problems. We continue to ask the Lord to grant to Nick his healing hand.

**Vicki Boehne's friend Kim,** was blessed with heaven. We ask the Lord's comfort to be placed upon her.

**Larry Lousignont** (Mikes's father) – has made some adjustments to his life and we pray the Lord will provide His goodness upon him.

**Billy Ray- Heather Fehd's brother** who incurred an accident on his farm and severed the tendon and nerves in the back of his legs. We praise God for the surgeon who repaired the tendon, re-connected the nerves and believes Billy Ray should recover 80% of his movement and use of his leg. May God provide him healing.

**Dorie and Josie Taylor** who have both suffered concussion. May the Lord bring healing and remove any symptoms that resulted from their concussions.

**Nancy Freeman (Linda Taylor's friend)** whose cancer has returned. May the Lord bring her comfort, healing, and strength.
